NORTON'S REACTION TO THE RESIGNATION OF PRESIDENT ELIZABETH HOFFMAN

(DENVER)-Today Norton issued the following statement in reaction to the resignation of President Elizabeth Hoffman.

"I am saddened by the news of the resignation of my friend, President Betsy Hoffman. Betsy has spent the last five years in Colorado not only working for the advancement of the University of Colorado, but for the good of Colorado as a whole. Her visionary work on creating a first-class medical and research institution at Fitzsimons, developing an innovative and energized Colorado Springs campus, and consolidating the University of Colorado at Denver and the Health Science Center will have a positive impact on Colorado for years to come. I extend my gratitude to President Hoffman and her husband Brian for all that they have done for the University and the State."
